

Muffy Seaton Lessons

September 21, 22 & 24 2017

The TEJAS Carriage Assoc. is pleased to have Muffy Seaton available to provide lessons during the Day of Recreational Driving weekend. Muffy Seaton from Williston, S.C., is a well-known driver, trainer and breeder of driving ponies. She has been an active combined driving event and pleasure driving competitor, judge and clinician for the past 28 years. In addition, Muffy has served on American Driving Society (ADS) and United States Equestrian Federation (USEF) driving committees. She is a registered USA Equestrian and ADS judge in pleasure, combined driving and driving dressage. She also is one of few worldwide to hold the prestigious British Driving Society Light Harness Horse Instructor's Certificate. Muffy will administer the CAA Driver Proficiency evaluations Saturday, September 23, at the Black Star Equestrian Facility, Rockwall, and she has also agreed to preside over the 2018 Sunrise Ridge combined driving event.

As a clinician, Muffy believes a strong bond of confidence has to exist between the driver and the driving horse in order to have a safe and happy turnout. She stresses communication and trust in all her training sessions because she feels that without communication there cannot be trust; without trust teamwork between driver and horse will not exist.

If you are interested in a lesson, please complete the form with information regarding your level of driving, your equine's ability, and what you'd like to achieve in your lesson/lessons.

The fee for the clinic is \$125.00 per lesson on a first entry received basis with consideration given to those individuals who have committed to take the CAA driving proficiency evaluations on September 23. Lessons will take place at Cedar Creek Run located at Old Mill Road and CR 3318, Greenville. If you need to cancel for any reason, you are asked to arrange with another on the waiting list to cover your spot. I will be happy to connect you with others who have wanted a lesson.

TCA members are welcome to audit free of charge; non- members auditing are asked to make a donation to the club.
